Those who
are planted
in the house
of the Lord,
They will flourish in
the courts of our God.

1 John 1:7

Fertilizing
1 Tim 4:6
Start with pellet fertilizer and then after a month use liquid fertilizer every other watering for continuous blooms.

Pruning
John 15:2
Most annuals can be dead headed to produce more flowers. As a general rule cut back behind the first set of leaves.

Location
Read plant labels to ensure they'll be happy where you plant them. Consider how much sun the pot location will get. Sun plants like 6+ hours a day.
